Guiding participants through this transformative experience, Prof. Narain Gupta (Lead PGDM-Online), of MDI Gurgaon, emphasizes, *"Our PGDM (Online) programme offers working professionals an opportunity to earn world-class management education without interrupting their careers. It demonstrates our dedication to support seamless professional growth by offering a cutting edge course curriculum that fits seamlessly into working individuals' schedules."*

Breaking geographical barriers, MDI's PGDM (Online) programme aims to make high-quality education globally accessible. The programme is location independent and participants can study at their own pace. This learning platform ensures that the learning becomes highly interactive, fostering meaningful connections with faculty and peers.

In the first year, participants are introduced to core courses that covers the holistic business perspective. In the second year, they proceed for their dual specialization in functional areas such as Accounting and Finance, Operations Management, Marketing, Strategy, Information Management, Business Analytics and Energy Management. To accommodate our career-driven individuals, synchronous sessions are held during Fridays and Saturdays evening and Sundays, providing an effortless transition for those balancing professional commitments with academic pursuits.

The PGDM (Online) programme is distinguished by its faculty, comprising experts from international business schools. This global expertise enriches the learning experience, broadening participants' perspectives and fostering a dynamic learning environment.

Focusing on holistic development, the programme prioritizes leadership growth by drawing upon its expert faculty and industry collaborations. Through these collaborations, students engage in case studies, projects and simulations to foster critical thinking skills such as creative problem-solving and effective communication, an approach consistent with the institute's commitment to equipping individuals with essential tools necessary for successfully navigating today's complex professional environments.

At the core of this programme lies an emphasis on learning and skill enhancement, equipping graduates with crucial analytical and quantitative skills essential for successfully navigating the global business arena. Through the careful design of this programme, participants gain opportunities across diverse industries like consulting, finance, marketing and strategy, developing an adaptable skill set to meet changing professional demands.

To further support aspiring professionals, MDI provides scholarship opportunities based on merit. This scholarship aims to ease financial strain on meritorious participants pursuing the PGDM (Online) programme. The Eligibility to apply for PGDM (Online) programme requires applicants to possess at least 50% marks in secondary and higher secondary with a bachelor's degree from an accredited university with at least two years of regular work experience.

MDI Gurgaon's PGDM (Online) programme is a testament to its institution's dedication to offering exceptional management education.
